

SAINIK SCHOOL PUNGLWA (NAGALAND)
TENDER SCHEDULE: DRY RATION

DRY RATION:

1. Quality and quantity of Dry ration will be checked by a Board of Officers upon receipt.
2. Ration of Sub Standard quality considered sub standard by Board of Officers will be rejected for replacement. All rejected items will have to be removed by the contractor forthwith at his/her own expenses and no compensation to that affect will be entertained.
3. Any packet items must have a minimum of 03 month shelf period. All masala items must be from registered producers, manufacturers and should have the quality certification mark.
4. Tenderers should quote the rates of items per QTI...In case of Mustard Oil/refined Oil rates quoted should be for 100 ltrs. All rates quoted should be inclusive of container/bags.
5. The contractor should be agreeable to Supply at least minimum twice a month to the School. Unrealistic low rates will not be considered.
